Rec'd 1615

My dear Mr. Dulles:

The President has asked that he continue to be periodically informed of the Administration's progress in its efforts to hold Government expenditures and employment to a workable minimum. The reporting system employed last year will be modified and continued for this purpose. You are requested, therefore, to submit a financial plan for the fiscal year 1958 and quarterly progress reports in accordance with the enclosures.

The financial plan should reflect fully the results of steps you have already taken and plan to take to meet the President's objectives as set forth in my letter of June 28, 1957. It should be submitted here not later than October 31, 1957. The quarterly progress report should be submitted not later than the 20th of the month following the end of the quarter. Data should be reported separately for each month in the quarter for items 1A and 2A on each report.

Sincerely yours,

/s/ Percival Brundage
